TMT: Information Technology: France

Due to the number of tables in this section, the editorial is in alphabetical order by firm name.

Alain Bensoussan

THE FIRM This renowned firm boasts one of the largest specialist IT and new technologies teams in France. The firm was one of the first to emerge in this area and has developed unrivalled expertise in the legal frameworks of IT and technological advances. The team has a domestic focus, and handles contentious and non-contentious IT matters across a broad range of sectors including energy, banking and telecommunications. Regular articles, publications and conference appearances reinforce the firm's exceptional level of engagement with the IT market.

Sources say: *"A genuine institution."* *"Very important on the French IT market."*

KEY INDIVIDUALS A *"pioneer"* of computer law, sources say [Alain Bensoussan](#) is an *"uncontested specialist"* on large-scale contracts, especially in the domestic market. He is also regularly involved in IT litigation.
