
IT, telecoms and the internet

Alain Bensoussan is regarded as the '*guru of the IT sector*' in France. The firm has unrivalled experience, being the first to set up a dedicated practice to new technologies, offering a wide range of services including IT, internet, domain names and data protection expertise. The team is made up of '*good technical lawyers*' with a strong litigation and arbitration practice. Benoît de Roquefeuille, Laurence Tellier-Loniewski, Jean-François Forgeron and Eric Barbry are all recommended.
